same way, although he made a more active canvass than Sayler. But, then, he is no such man as Sayler. They speak of nominating him for mayor. He did not know how that would be. I asked i)r. Wise The Great Crime, what was his opinion us to the probabl somes of the next Presidential campaign He replied that he could hardly imagi what they could have to fight about. Indianapolis special to the Cincinnati En would find something, though, most probab some branch of the finance question example, abolishing the national banks. Ti negro question is dead. The solid south is numbug. A man is a fool who would ex pect the southern people to support the R publican party, or who would expect tha education and wealth would not refluence he inferior negro population to vote th Democratic ticket. Any man of sense should have foreseen that. It is folly to speak now ern people over the pegro was the influence superior culture and wealth over ignoranand poverty. If he was surrounded by ter men inferior to himself in intellect, education rivileges and elections decided to summon and worldly means, he should expect to b able to influence them. The solid south is a humbug, and the people see it. shirt has served its purpose. The people ar tired of that ensanguined pennant, and want something else. At this point something more tempting was offered for discussion and the conversation, so far as I was concerned, was unwillingly terminated." BRITTENUM'S Case - What the Holly Springs Reporter Has to Say About It.

> Holly Springs Reporter: "Several days ago Mr. E. Beittenum, a popular and highly-respected gentleman, was sent to jul by Judge Watson for refusing to testify befor the grand jury. Owing to the fact of the illness of his wife and other circumstances there was a considerable manifestation of public feeling and sympathy in his taver. I was not surprising, therefore, to a majorit of the people of the town that an attempt should be made to rescue him. On Monday night last, about half-past seven o'clock, a large number of his friends, in mask, went to the jail and demanded the key to Mr. Brittenum's cell. The jailer at first refused to comply, but becoming convinced that the men were determined in their intention t release the prisoner, he delivered up the keys They went quietly to Mr. Brittenum's cell released him, and then returned the keys to the jailer.
